

Being treated  
unfairly  
at work?

Worried  
you can't  
afford a  
lawyer?

Take  
a closer  
look!

**Your costs may already be covered**

If you have house or car insurance, it often includes cover to pay for legal advice. This means you *can* afford a lawyer and if you choose an expert in employment law, you'll get the best result.

## Being treated unfairly at work?

### **Bristol Law Centre is a leading specialist in discrimination and employment law**

We give expert advice – face-to-face or by phone – to help you get fair treatment at work. We'll help you take your case to the Employment Tribunal if necessary.

We care. We'll support and guide you every step of the way.

### **What is Legal Expenses Insurance?**

Millions of people in the UK have Legal Expenses Insurance included within their standard house or car insurance policies, as well as some bank accounts.

Bristol Law Centre can advise on how to access this cover and the strength of your case. We're a charity and our aim is to make work a fairer place.
