

Welfare Benefits

Our team of welfare benefits legal specialists take referrals from other organisations, and accept clients directly at first-tier appeal and Upper Tribunal stages.

First-tier appeals

We help people living in Bristol, South Glos and B&NES, with:

- Personal Independence Payment (PIP) and Employment and Support Allowance (Universal Credit-ESA) appeals
- Right to Reside issues
- Overpayments
- Housing Benefit, Tax Credits and Pension Credits

Contact us (number overleaf) when your appeal papers have arrived.

Upper Tribunal

If you have appealed any benefit decision to a tribunal and are not happy with the result, we can provide free advice on taking the matter further. You will need to be eligible for Legal Aid and live in Wales or the South West of England. Contact us to find out if you are eligible.
